

You will be provided the following from the Utah Insurance Department:

REGISTRATION CODE:

LICENSED TO:

PLEASE DO THE FOLLOWING:

1. Shutdown the FormDOCS Designer and Filler if either is running. If you have modified any of the sample form templates, save a copy of those templates to a safe location so that they are not overwritten by the new installation.
2. Download the very latest FormDOCS program file and SAVE it to your 'Desktop' by clicking here:
<http://www.formdocs.com/download/fdw76.exe>
3. Locate on your 'Desktop' the file named "fdw76.exe" that you downloaded and double-click it to start it up.
4. In the Setup dialog box, type-in your "REGISTRATION" code EXACTLY as it appears above. (Note the code may contain the digit zero but never the letter 'O'.)
5. In the setup dialog box, type-in your "LICENSED TO" information EXACTLY as it appears in the E-mail sent to you by the Utah Insurance Department.
6. In the setup dialog box, type-in your organization name.
7. Click 'Next' and satisfy the remaining setup prompts.
8. PRINT OUT AND SAFEGUARD YOUR REGISTRATION INFORMATION NOW. PLEASE NOTE THERE IS A \$25 FEE CHARGED TO RECOVER LOST REGISTRATION INFORMATION.
9. To learn how to obtain Formdocs support, visit <http://www.formdocs.com/support>

Note: If you would like instructions for installing the software on a server, please contact us or reference the Formdocs support website. Instructions are also given when loading the software.
